## **Attachment G: Progress in meeting the 5-Year Plan Mission and Goals**

The PHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of FY 2001 Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2002 application will continue that effort.

PHA has implemented local preferences to improve the living environment in addition to our modernization efforts.

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, PHA has implemented a Community Service program beginning January 1, 2002 that has been discussed with residents and each adult member of every household has been notified of their responsibilities and the policy has been Board approved.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2002.

### **Implementation of Public Housing Resident Community Service Requirement**

#### **PHA Responsibilities**

##### **(1) Eligibility Determination**

The PHA will review every existing resident file to determine each Adult member's status regarding community service per the following guidelines.

- a. As family status is determined a registered letter or other certifiable document of receipt will be sent to each adult member of that family to notify them of their status (exempt or non-exempt) and explaining the steps they should immediately proceed with through their housing representative.
- b. The PHA will include a copy of the general information section of its Community Service Policy and a listing of PHA and/or third party work activities that are eligible for certification of the community service requirement.
- c. At the scheduled meeting with each non-exempt adult family member, not only will the parameters of the community service requirement be reviewed but also the PHA and/or third party work activities will be identified and selected for compliance with the annual obligation for certification at their annual lease renewal date.

##### **(1) Work Activity Opportunities**

The Englewood Housing Authority has elected to provide to those adult family members that must perform community service activities the opportunity to select either PHA sanctioned work activities or Third Party certifiable work items. The administration of the certification process would be:

##### **a. PHA Provided Activities.**

When qualifying activities are provided by the Authority directly, designated Authority employee(s) shall provide signed certification that the family member has performed the proper number of hours for the selected service activities.

##### **b. Third Party Certification**

When qualifying activities are administered by any organization other than PHA, the family member must provide signed certification (see III A (c)) to the Authority by such third party organization that said family member has performed appropriate service activities for the required hours.

##### **c. Verification of Compliance.**

The Authority is required to review family compliance with service requirement, and must verify such compliance annually at least thirty (30) days before the end of the twelve (12) month lease term (annual re-certification time). Evidence of service performance and/or exemption must be maintained in the participant files.

d. Notice of Noncompliance.

If the Authority determines that, a family member who is subject to fulfilling a service requirement, but who has violated the family's obligation (a noncompliant resident) the Authority must notify the specific family member of this determination.

The Notice of Noncompliance must:

1. Briefly, describe the noncompliance (inadequate number of hours).
2. State that the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

The resident or any other noncompliant adult family member enters into a written agreement with the Authority to cure the noncompliance and in fact perform to the letter of agreement.

- Or -

The family provides written assurance satisfactory, to the PHA that the resident or other noncompliant adult family member no longer resides in the unit.

This Notice of Noncompliance must also state that the resident may request a grievance hearing and that the resident may exercise any available judicial remedy to seek timely redress for the Authority's non-renewal of the lease because of a noncompliance determination.

a. Resident agreement to comply with the service requirement.

The written agreement entered into with the Authority to cure the service requirement noncompliance by the resident and any other adult family member must:

1. Agree to complete additional service hours needed to make up the total number of hours required over the twelve (12) month term of the new lease.
2. State that all other members of the family subject to the service requirement are in current compliance with the service requirement or are no longer residing in the unit.

f. The Englewood Housing Authority has developed a list of Agency certifiable and/or third party work activities of which each non-exempt adult family member can select to perform their individual service requirement.
